

Public Qualification Criteria

Vetting Standards for CCC Network Restoration Firms

The Constructive Care Collective maintains a curated network of restoration and reconstruction firms that meet rigorous, independently verified standards. The following criteria apply to all firms listed on the CCC Public Qualification List. Each firm is evaluated against these requirements prior to acceptance and is subject to ongoing review to ensure continued compliance.

Qualification Requirements

01	Experience & Revenue Over 7 years of experience with more than \$10 million in remediation and reconstruction revenue over the past 3 or more years.
02	24/7 Availability 24/7/365 phone coverage answered by a real human, with no automated systems or voicemail during emergencies.
03	Emergency Response Team Company employees (not subcontractors) comprise the core of the firm's Emergency Response Team.
04	Online Reputation Average online reviews of 4.2 stars or higher across verified platforms.
05	State Licensing Currently licensed within the State of Indiana and all applicable local, town, and city agencies.
06	Insurance & Bonding Fully insured and bonded in compliance with State of Indiana and all applicable local government regulations.

07

Full-Scope Capability

Capable of taking a project from initial site security through full reconstruction, a true single-source solution.

08

Program Neutrality

All firms have acknowledged and accepted the neutrality and independent nature of the CCC Program.

09

Ongoing Accountability

Commitment to the ongoing review of project deliverables and active engagement with the CCC partner network.
